An **examiner's amendment** to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Applicant's Remarks, page 8 specifically indicates that applicant intended to amend claim 7 with the insertion " , said second portion". Applicant apparently inadvertently failed to make this change. The following change corrects this inadvertent error:

In claim 7, line 28 after "said second portion" -- , said second portion – has been inserted.
